# AGREEMENT CONCERNING THE <br> STUDENT GOVERNMENT OF <br> SWEET BRIAR COLLEGE 

## The Student Petition (October 17, 1906)

The students of Sweet Briar College, believing that there is dignity and honor in student government, desire individual and community responsibility for the conduct of students in matters not strictly academic.

We, therefore, petition the President and Faculty for legislative and executive control in certain matters. We ask:
I. Right to cantrol quiet and order in all places about the buildings and campus that are not under the immdiate control of a member of the Faculty.
II. Permission, with the advice and approval of the Faculty, to extend our power as occasion arises and we prove worthy to be vested with greater power and authority.
III. Permission to make such additions to the above as we may feel are necessary, with the consent and approval of the President and Faculty.

## The Reply of the Faculty

## (October 20, 1906)

The Faculty of Swect Briar College endorses most cordially the desire of the student body to assume responsibility for the conduct of individual students in non-academic matters. Thercfore, the Faculty accords permission to frame a constitution embodying laws regulating the points specified in the petition-said constitution to be submitted to the Faculty for endorsement.

## PREAMBLE

Whereas, we, the students of Sweet Briar College, desire to assume individual and community responsibility for the conduct of students in matters not strictly academic, and, whereas, we believe that there is dignity and honor in student government, we do hereby, in accordance with the agreement between the Faculty and students, organize ourselves into an Association.

## THE STUDENT GOVERNMENT ASSOCIATION

## THE HONOR SYSTEM

A high standard of personal honor prevails at Sweet Briar. Every student is expected to do her utmost to maintain this standard and at all times to consider herself an active and responsible member of the Association. The Executive Committee of the Association has the power to investigate and take action in any case involving an infraction of the Honor System. In performing this function it needs the support of every student.

THE HONOR SYSTEM APPLIES TO EVERY PHASE OF COLLEGE LIFE. A Sweet Briar girl's word is her bond and it is expected that every student will justify the confidence of her fellow students at all times and under all circumstances.

## Article III-Fundamentals Underlying

## Student Government

The strength and effective operation of Student Government depend upon the truthfulness and the high sense of personal honor on the part of each student, an enlightened and vigorous student opinion, and the recognition of individual responsibility for upholding and furthering the standards and the ideals on which the Association is based. Three things are fundamental:

1. A student will tell the truth.
2. A student will respect the property of others.
3. A student will maintain absolute honesty in all her social life and in all her academic work-preparation, classroom work, tests, papers, notebooks, examinations, and every other kind of academic work.

Students who do not acknowledge these fundamentals or who are unwilling to exert themselves to the utmost to make these ideals prevail are out of place at Sweet Briar. Each student is in honor bound to maintain these ideals in her own conduct and to exert herself to the utmost to make these ideals prevail among all students at Sweet Briar. Any student who fails, at any iime or under any circumstances, to live up to these ideals should report such infraction promptly to $\alpha$ member of the Executive Committee.

## Article IV-Membership

All students at Sweet Briar College are active members of the Association and must conform to the rules and regulations of the Association for such periods as they are registered in the College. Every student on entering college is expected to subscribe to the three fundamentals noted above by signing the following pledge:

## BY-LAWS OF THE SWEET BRIAR

## STUDENT GOVERNMENT ASSOCIATION

## The Responsibility of a Sweet Briar Student

Life at Sweet Briar is based upon principles which are intended to promote the best interests of the community as a whole and of the individual as a member of the community. Since every student entering Sweet Briar automatically becomes a member of the Student Government Association, she is expected to accept its obligations and responsibilities as well as its privileges, and must be willing, therefore, to subordinate her own standards to those of the community. It is natural that some of the regulations may not be acceptable to every student, for they have been formulated to meet the needs of the group as a whole, but the individual's obligation to uphold them is not lessened on that account.

Believing that a willing and intelligent support of these regulations is the desire of every college citizen, the Student Government Association expects each of its members to inform herself of the academic and nonacademic responsibilities and to maintain them. Moreover, she is expected to co-operate in holding others to the standards of the Association; in reminding them of their obligations in cases of non-conformity, and in reporting them to the proper authorities if infractions are serious or continued. The officers and committee members of the Association are merely our representatives for maintaining the high standards of our college life, and their service in no way relieves any student of her individual responsibility.

## III-Graduation Requirements and Class Standing

1. A student must have a minimum residence of one academic year at Sweet Briar to be eligible for a Sweet Briar degree.
2. To be eligible for graduation a student must complete a minimum of 120 semester hours of credit in addition to the physical education requirement.
3. Every student must have for graduation a minimum of 120 quality points and a credit ratio of at least 1.0 for her entire course. Quality and the credit ratio are computed as follows: each semester hour graded A counts 3 quality points; B, 2 ; C, 1 . The credit ratio is the ratio of the total number of quality points to the total number of quality points to the total number of hours taken. These hours include courses which are reported incomplete, conditioned and failed. Hours of physical education are not included in computing the credit ratio. A credit ratio of 1.0 is equivalent to a C average.
4. Every student is required to make for graduation a credit ratio of 1.0 on work pursued at Sweet Briar.
5. Every student is required to have for graduation a major rating of at least 1.00 . The major rating is defined as the credit ratio for all courses taken in the major subjects (not allied courses) exclusive of courses not allowed to count for the major. If a comprehensive examination is required in the major, the major rating is computed by combining, with equal weighting, the credit ratio as computed above, with the grade of the comprehensive examination. A student reading for honors must also have a major rating of at least 1.0 in order to graduate. The major rating in an interdepartmental major is defined as a credit ratio of at least 1.00 on the thirty-six hours presented by the individual student to fulfill the major requirement, exclusive of courses which may be also allowed to count for other degree requirements.
6. On transfer eredit accepted at Sweet Briar from a four-year college belonging to the Southern Association of Colleges and Secondary Schools, or an association of equal rank, quality points will be reckoned in the total credit ratio.
7. Any student who at the end of the first semester of her junior year has a credit ratio below 1.0 for that semester, or a cumulative credit ratio below 1.0 , shall be reported by the Dean to the Executive Committee for special consideration with reference to her return to college the following fall.
8. For senior standing, a student must, at the opening of the college year, have passed 88 semester hours of work, with 88 quality points and a cumulative credit ratio of 1.0. At the beginning of the second semester the requirements are 104 semester hours, 104 quality
points, and a cumulative credit ratio of 1.0 . No student who has failed to make up a condition incurred in her freshman year may have senior class standing until such condition is removed.
9. For junior standing the requirements are: in the first semester 52 semester hours and 52 quality points; in the second semester 70 semester hours and 70 quality points. No student who has an entrance condition may have junior class standing until such condition is removed.
10. For sophomore standing the requirements are: in the first semester 26 semester hours and 26 quality points: in the second semester 39 semester hours and 39 quality points.
11. A student who is notably weak in her work will be put on probation, and if her work does not improve may be requested to withdraw from college. Every student on probation will be notified by the Dean, and reported to the faculty.*

2. Students wishing credit at Sweet Briar for summer school work should receive in advance the permission of the Dean and the written approval of the head of the department concerned. Only in exceptional cases will credit be otherwise granted.
3. The Dean is authorized to reject work of a grade below C, whether taken in summer school or offered for advanced standing from another institution, unless in her judgment the case is exceptional.

## V-Examinations and Grades

1. All tests and examinations are given under the honor system. The student's signature to any written work is regarded as a guarantee of honest work.
2. General examinations are held twice a year. One or two days before each examination period are reserved for independent study and review. No assignments may be made for those days or for the free days within the examination period, with the following exceptions: (a) a student may make up work with faculty assistance at the student's request; (b) the ruling does not apply to examinations under the Honors Plan of Study.
3. Any change in the scheduled hour of an examination must be made through the office of the Kegistrar.
4. Examinations must be terminated promptly at the end of the designated time.
5. An examination is given in each course at the end of each semester, unless the department concerned decides
upon some other means of testing. Substitution of a special piece of work for a final examination must be reported to the Dean and Registrar before the posting of the examination schedule. A copy of each course examination both mid-year and final, shall be filed in the Dean's office for the information of the faculty.
6. (a) In courses which are indicated in the catalogue by semester numbers which are connected with a hyphen, grades are recorded in the Registrar's office both at mid-year and at the close of the year, but the latter represents the permanent grade for the course, unless a grade of F was given at mid-year. In that case the work of the first semester must be repeated, and only then is a permanent grade recorded for the course. If a student receives a grade of F at the end of the year, after having passed the work of the first semester, in reporting the grade the instructor should indicate whether both semesters or only the second semester must be repeated.
(b) In courses which have the semester numbers separated by a comma, the grade shall be recorded by semesters or for the year in accordance with the desire of the department concerned. If the grade is to be recorded for the year, the conditions of section (a) are to be observed.
7. In courses extending throughout the year which are intended primarily for juniors and seniors, the final examination at the end of the year should include questions bearing upon the work of the first semester in its relation to the work of the second semester. This is usually a three-hour examination.
8. If a student is prevented by illness from taking a course examination at the time scheduled, she must secure a physician's certificate and present it to the

Dean and to the instructor concerned. The instructor shall set the time for a special examination. If a student is absent from a course examination for other reasons she must forfeit the credit for the course unless she presents for such absence a reason satisfactory to the instructor and the Dean.
9. Grades are to be assigned with the following meaning: A indicates excellent work; $B$, very good; $C+$, good; C, fair, $D$, poor but passing; E, a condition with the privilege of re-examination; $F$, a failure which can be made up only by repeating the course in class. Grades above D are called credit grades. "Incomplete', indicates that required work in a course has not been completed.
10. A student who is reported "incomplete'" in a course must complete the work at the time designated by the instructor. If she fails to do so her case will be referred to the Executive Committee by the instructor.
11. A condition (E) may be made up by passing a re-examination, or by other methods equally satisfactory to the instructor concerned, or by repeating the course in class. The re-examination shall be given at a time designated by the instructor. Those failing in the reexamination must repeat the course. The question of a re-examination after the grade of E given at mid-year of a continuous course is left to the discretion of the department concerned.
12. A failure ( F ) in an academic course may be made up only by repeating the course in class. This may be done at Sweet Briar, or at another institution, subject to the approval of the Dean and the head of the department concerned. A failure in a course in physical education must be made up by repeating the course at Sweet Briar, unless the Department of Physical Education
prescribes some other method. A student must complete a course which she has failed to pass unless permission to make a substitution is granted by the Executive Committee. When a student has twice failed a given course, the question as to whether she shall repeat the course shall be presented to the Executive Committee for consideration and decision.
13. A student who receives notice of a failure or condition should communicate promptly with the instructor of the course in which the condition or failure has occurred.
14. A student whose work is of passing grade when she withdraws from a course before the end of the semester will not be required to repeat the course. If her work is not of passing grade, decision as to whether she will be required to repeat the course is left to the Dean, the adviser, and the instructor.
15. Before the middle of each semester instructors shall furnish to the Dean reports on the achievement of students in their classes. Special blanks are provided for these reports.
16. All examinations on summer reading must be given within two weeks of the opening of college in September.

## VI-Absences from Academic Appointments

1. If an instructor fails to meet his class without previous notice, the students shall remain in the classroom for ten minutes after the second bell has rung.
2. A student is expected to attend her classes regularly and to keep her other academic appointments. Responsibility for attendance, except as noted below, rests with the student.

Exceptions:
(a) Students on probation are permitted no absences except for illness.
(b) All students whose eumulative credit ratio is less than 1.0 at the end of any semester are in the succeeding semester and until they have attained a credit ratio of 1.0 limited to as many permitted absences in each course as the number of ceredit hours for that course. Any absence of such students on Saturday or Monday will count as two absences. The Dean is authorized to impose this regulation on students whose work is reported as unsatisfactory at the end of the first six weeks of cither semester.
(c) All freshmen are required to attend classes during their first semester in college but are permitted in each course as many absences as the number of credit hours for that course.
(d) In their second semester, freshmen who have attained a credit ratio of 1.5 on the work of the first semester have the same privilege as upper class students; if their eredit ratio falls between 1.0 and 1.5 , they have the same requirement for attendance as in the first semester.
3. Absences in exeess of the number permitted under section 2 (b), (c) and (d) automatically place a student on probation. Any student on probation who has an unexcused absence may be asked to withdraw from college, unless she presents a reason satisfactory to the Executive Committee. An unexcused absence in this case is one for which the reason given is insufficient in the opinion of the Dean.
4. Absences permitted under section 2, (b), (c) and (d) are exclusive of absences due to illness. A student with a limited number of permitted absences, if absent

The Dean's office shall furnish promptly to each instructor the names of students for whom a report on attendance is expected. Instructors shall report to the Dean on the day of occurrence absences of any student on this list.
6. Any student whose work seems to be seriously affected by excessive class absences shall be reported to the Dean.
7. All work missed shall be made up promptly, and in advance of the absence if it can be anticipated. Students must take full responsibility for requesting instructors for assistance in making up work. The instructor may refuse to grant such assistance, if he sees fit. Students may, with the permission of the instructor, change from section to section in order to make up work. They may not do so in order to remove records of absence, nor to leave college early before a vacation or recess, nor to return late therefrom.
8. Students are expected to remain at college to keep all academic appointments which fall before the official time set for the beginning of a vacation or recess. They are expected to return for the official opening of college after a vacation or recess.

All excuses for absence from college after a vacation or recess must be presented to the Dean by letter or telegram before the hour set for return to college. Only
illness of the student or some serious family condition will be regarded as an acceptable excuse. In case of illness, the student must present a physician's certificate on her return. In the second case she must present a letter of full explanation from her parent or guardian. Any student whose absence is unexcused will be permitted no over-night absences from college for a period of six weeks.
9. A student who is absent more than four weeks may re-enter classes only with the permission of the Dean, and only in exceptional cases will be permitted to carry a full schedule of courses.
10. Thanksgiving Day is a holiday, but classes will be held as usual on the following Friday and Saturday. No absences from campus will be permitted which involve absence from class.
11. The Dean has the power to modify at her discretion the operation of any of these rules when the case of any student is in her opinion exceptional.

## VII-Honor System ${ }^{*}$

Responsibility for maintaining the integrity of the Sweet Briar degree rests both upon the faculty and upon the students. Nothing in the operation of the Honor System shall lessen this continuing responsibility of the faculty. The successful operation of the Honor System is essential to the integrity of the degree. Responsibility for the establishment and maintenance of the Honor System rests primarily upon the students collectively and individually; and secondarily upon the faculty collectively and individually. The strength and effective working of the Honor System depends upon the clear recognition of this responsibility by both students and faculty and upon cooperation between them.

[^5]To further this cooperative enterprise, it is recommended:

1. At the beginning of each course, the instructor shall make to the class a careful statement of the bearing of the honor system on the work of that course.
2. An instructor, when consulted by a student concerning suspicious work which she has observed, should guide the student to the president of the Student Government Association to discuss the case.
3. If an instructor is uncertain as to what he should do in a given case it is recommended that he consult the Dean or the President of the College.

2. Second year students usually continue under the direction of their first year adviser, but, after consultation with the Dean, may select another adviser whenever desirable.
3. After a student has chosen her major field in the spring of the sophomore year, her work will be directed by her major professor.

## IX-Miscellaneous

1. A student in any department found to be deficient in English may be referred to the Department of English for special work in composition.
2. Permission to use social rooms or the Chapel for other than regularly scheduled purposes shall be secured from the Dean.

(a) Freshmen are not expected to be away over-night during the first six weeks of academic work. Freshmen may not be away from college more than four nights during the first semester, or more than five nights during the second semester. Not more than two consecutive nights of absence from college are permitted, unless a freshman has a credit ratio of 1.5 or above in the work of the first semester, in which case she may be away for three nights consecutively.
(b) Sophomores may not be away from the college more than seven nights during a semester, and not more than four nights consecutively.
(c) Juniors may not be away from college more than ten nights during a semester, and not more than five nights consecutively. An absence of such length shall not be taken more than onee in a semester.

4. No student may at any time attend a public subscription dance.

## THE MARY HELEN COCHRAN LIBRARY

The following pages are inserted with the hope of anticipating the most frequent student questions about library matters.

Since students are responsible for the observance of the rules of the library, it is important that these pages be read carefully.

One of the chief functions of the library staff is to help students find needed library material. Do not hesitate to ask them for help.

## Book Collection

The Mary Helen Cochran Library has in its collection over 62,000 volumes. The majority of these are shelved in the book stacks, but a certain number are shelved elsewhere in the library. Become familiar with the arrangement of the collection by consulting the accompanying plan of the various rooms of the building.

Reading Room. This is the main room and on its bookshelves are the Reference Books most frequently needed (dictionaries, encyelopedias, biographieal dietionaries, atlasses, etc.). Reserve Books, that is, books
designated by members of the faculty for required reading, are also shelved in the Reading Room. At night they may be borrowed at $9: 30$ and must be returned by 8:30 the next morning.
Bibliographical Alcove. Here are found bibliographies on almost every subject as well as the Reader's Guide and other periodical indexes. The Book Review Digest, an index to book reviews, is also here.
Music Room. This special collection contains about 1500 books on music. Books belonging to the Carnegie Collection may not be borrowed. Other books may be borrowed for two weeks; reference books overnight ónly.
Art Room. This room contains about 1800 books on the various aspects of art. During the day they must be read in the Art Room. They may be borrowed for overnight loan only.
Browsing Room. This is an attractively furnished room which is reserved for recreational reading, not for studying. It contains over 1000 volumes-old titles and new. These books are read in the room itself and do not circulate. They are arranged by broad subjects -fiction, poetry, essays, plays, travel, etc. Available for consultation in a loose leaf notebook is a list of these books according to the above classification.
Periodical Room. The currently received periodicals number about 360. A list of these is posted on the bulletin board. The back issues of these periodicals are bound and shelved separately in the lower stacks on the east side (see accompanying plan). Periodicals may not be borrowed, but must be read in the Periodical Room, or if bound, in the stacks. Daily newspapers are also kept in this room.

LOWER STACKS

UPPER STACKS

Upper Hall. Some music books are shelved liere as are also books belonging to the Carry Nature Sanctuary (a collection of books about nature and wildlife) and the books belonging to the International Relations Club. Photography, riding, and dance books are also shelved here.

## The Book Stacks

There are two floors of book stacks in the library, the upper and lower stacks. In the upper stacks, all books with call numbers beginning with 8 (Literature) and 9 (History) are shelved. Books of biography (92 and 920 ) are included with History and are shelved in the upper stacks at the south end. In the lower stack are found other subject books.

Lower Stack:
0 General works and bibliography
1 Philosophy and psychology
$\simeq$ Religion
3 Government, ceonomies and sociology
4 Languages
5 Sciences
6 Applied seiences
7 Recreation and theatre
Art books are shelved in the Art
Room; Music Books in Music Room.
UPPER STACK:
s Literature
9 History, biography and travel
Practice will help you to find the books you want under one of the above 10 sections. If you want to consult a book in the stacks do so at one of the tables. When finished, do not put it back on the shelves, but return it to the book shelf by the door.

## What is the Card Catalogue?

It is an alphabetical index to the books in the library, and may be used in the same way as a dictionary or an index to a book. Each book owned by the library is entered on a card under the author's name. This card is filed in its alphabetical place in the card catalogue. A card is also made for a book's title. In addition, there are other cards denoting the subjects of the book. The term chosen to express the subject or subjects of the book is called the subject heading. It is typed in red, and all books pertaining to this subject are listed under this heading.

At intervals through the catalogue there are guide cards which stand up higher than the other cards. These cards have significant headings on them and help you to know where to begin looking in a drawer.

## How to find a book

The only place to find out whether the library has a certain book is in the card catalogue. Look under the author's name if it is known to you. If you do not know the author's name, but do know the title, look under that in its alphabetical place. Perhaps you do not know any exact book, but in general want to know what books the library has, let us say, on birds. In this case look under this subject heading, BIRDS. When you find the book that you want, jot down from the card its call number (upper left-hand corner) and then go to the stacks. It is by the call number that books are found on the shelves in the stacks. The top number denotes the subject to which the book belongs and the second line stands for the author's name. Both lines are necessary when looking for books in the stacks. Books are arranged in the stack book shelves from left to
right on cach shelf, first by subject, then by author and title.

## How May a Book Be Borrowed?

After finding the book you want in the stacks (if you do not find it, ask the assistant at the Cireulation Desk for help) take it to the desk in the lobby. (see aecompanying plan). All books wanted for "outside use", must be charged at the Circulation Desk. Sign your name on the two eards in the pocket at the back of the book, stamp each with the date that the book is due (use yellow date pencil) and also on the date due slip in the back of the book. This procedure must be followed to insure a proper record that you have the book and also to remind you to bring it back by the time it is due, thus avoiding a fine. When you have finished reading the book return it to the desk so that it will be available for another reader.

## Other Library Material that May Help You

There are many things that you will want to know about the use of library material besides the abliity to find a book in the stacks.

For example, perhaps you want to locate an article in a magazine that you read about two or three years ago. You remember that it was about sulfa drugs, but you do not remember the author, though you think it was in the Rcader's Digest. the Periodical Indexes (shelved in the Bibliographical Aleove-sce accompanying plan) will help you to loeate the article.

Perhaps you may want to find out the author of the quotation "A little learning is a dangerous thing . . ." A dietionary of quotations will help you answer this. During your college course there will be many times that you will want to find answers to questions. If you know how to use books, answers are easily found. Watch the exhibits on the lobby table and make yourself familiar
with as many of these books as possible. If you cannot find what you want, ask the assistant at the desk for help.

## Regulations and Privileges

Certain rules are necessary in a library in order to protect the majority from the thoughtless actions of a few.

A copy of Library Regulations and Privileges will be given to each newcomer during Orientation Week. A digest of some of these rules is listed below. Please read this carefully as well as the complete copy when later received. The Student Government has approved these rules and the student is held personally responsible for their observance.

## General Conduct

Quiet in the library must be maintained at all times.
The person who signs the book cards is responsible for the safe and prompt return of all books issued to her.

Stack books, New shelf books and Music books may be borrowed for 14 days; Reserve Books, Art Books and some Reference Books for overnight loan only. Browsing Room books and most reference books, and periodicals do not circulate.

Fines are charged for the non-observance of the above rules and if not paid within 24 hours your privilege of using the library for any purpose is withdrawn. This means that a student may not use the library at all until the fine is paid.

Personal belongings must not be kept in the library.
Ink must not be used at the catalogue or when using reference books, or in the Browsing Room. Ink bottles must be kept in the cloakroom.

After reading the above you will have a fair understanding of the use of the library. Do not fail to ask the library assistants for any help you may need.

## THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SWEET BRIAR COLLEGE

The Sweet Briar Y. W. C. A. strives to overcome any indifference, ignorance and confusion of students in regard to the relevancy of the Christian faith in modern life. And we join in the national purpose "to unite in the desire to realize full and creative life through a growing knowledge of God, . . to have a part in making this life possible for all people"'.. and in this task "to understand Jesus and follow Him.'"

## THE ASSOCIATION AT WORK <br> Membership

All members of the student body are automatically members of the Y.M.C.A. All members of the Cabinet (Officers and class representatives) are chosen from the members of the Association.

## Committee "X"

Committee " X ", is a new organization which will work throughout the year to acquaint the new students
with all phases of college life. By means of parties, pienics, and informal gatherings given at different times, during the year new students will have the opportunity of meeting upperclassmen and of learning about the various organizations and traditions of the college. The Orientation Committee, working under Committee ' X ', will be present during the first week of school to welcome new students and to make each neweomer feel thoroughly at home.

## Committee on Schools

The Committee on Schools shall be headed by the Vice-President of the Association and shall consist of one member elected from each class. Each class member will be elected by the class at the time of the election of class officers from a list submitted by the executive committee of the Association.

The work of this committee is of great importance. Entertaimment and elementary instruction in handierafts are provided during weekly visits to various eolored and white schools in Amherst County. Some Y.W.C.A. funds are used to provide hot lunches where necessary and to increase the schools' limited supplies of pencils, paper, elothes and libraries.

Several parties are given throughout the year for the children at each school. The Indian Mission, a mountain settlement of several hundred people of mixed races, gives a Christmas Pageant for their own community as well as for those Sweet Briar girls who have helped there during the year. The children from the two colored schools in appreciation for the help given by Sweet Briar girls come to Sweet Briar and give a special entertainment once every year.

The distribution of schools among the four classes is subject to change each year and is as follows for 1945-46:

| Coolwell Colored School | Freshmen |
| :---: | :---: |
| Indian Mission |  |
| Sweet Briar Children | Sophomores |
| Coolwell Sunday School |  |
| Coolwell Day School | Juniors |
| Clifford Colored School | Seniors |

## " Y " Boxes

Five cent packages of cookies and candy kept in " Y " boxes in each dormitory are on sale every night between ten and ten thirty. The proceeds from these sales are used at the discretion of the Y.W.C.A. Cabinet.

## Evening Services of Music and Prayer

On alternating Wednesday evenings throughout the year evening chapel services are held under the auspices of the Y.W.C.A. These services are conducted by members of the Association and seem to answer a definite student need.

## Religious Discussions

Each spring or fall the Y. W. C. A. invites an outside speaker to hold a series of religious talks and discussions. This person usually spends several days on campus and, in addition to conducting frequent discussion groups, he is available for individual conferences. These interviews prove interesting and beneficial to those girls who avail themselves of the opportunity.

## Christmas Stories

For several years the students have gathered together the Sunday afternoon before Christmas to hear stories of Christmas in other countries. Certain members of the community are asked to tell of Christmas in their own native land.

## CABIN

The Head of Cabin with the Assistant Head of Cabin and a representative of the Department of Physical Education shall formally appoint, at the beginning of each semester, a group of students who shall be called Cabin Leaders. It shall be their duty to make, interpret, and enforce the rules for hiking and for the use of the cabin, subject to the laws of the Student Government Association and the Athletic Association, to punish offenders, and to further the interests of hiking and the Cabin at Sweet Briar.

A Cabin Leader must accompany all parties hiking for points. If a cabin leader cannot be found, a substitute may be appointed by the Head of Cabin or by the President of the Association.

## CABIN RULES

The Cabin may be used at any time in accordance with the terms of the Athletic Association. See the A. A. Bulletin Board for detailed rules. The Cabin Calendar will indicate an "open'' or "closed"' cabin.

## Groups Who May Use the Cabin

The Cabin is open to all Sweet Briar students and members of the faculty and staff.

For maintenance and supplies each person will be charged 25 cents per night.

Students may go to and from the Cabin alone except after dark, when they must be accompanied by a member of the faculty or staff or a person approved by the Dean's Office or the Department of Physical Education. See Emergencies on the A. A. Board. See the regular Student Government rules for signing out. A night at the Cabin will not count as a night off campus. A campused person may not use the Cabin. All groups
using the Cabin must have an approved Cabin Leader in the party. (This is to insure proper use of the Cabin itself.)

## Overnight Groups

Overnight groups must be accompanied by a Cabin Leader and a member of the faculty or staff or an older person approved by the Dean's Office or the Physical Education Department.

Maximum number, 8; minimum, 4.

## Girls With Dates

Girls with dates may use the Cabin in the day time when Open House is announced on the College Calendar; and for picnic lunches and suppers when accompanied by a Cabin Leader and provided they return to campus before dark.

No one is to drive beyond the green gate.
No one is to smoke in the woods or in the bunk room.

## HORSEBACK RIDING

No student may go riding until $\alpha$ written permission from parent or quardian is filed in the office of the Department of Physical Education. No student may ride alone off campus. No student may jump unless approved for jumping by the Riding Council and unless a qualified person is in charge.

There shall be a Riding Council presided over by the Head of Riding and consisting of the Riding Leaders, "A", Riders, and a representative of the Department of Physical Education. It shall be their duty to make, interpret, and enforce the rules for riding, subject to the laws of the Student Government Association and the Athletic Association, to punish offenders, and to further the interests of riding at Sweet Briar.

All students at Sweet Briar are to be divided into the following classes:

Jumping Leaders: Students who are formally appointed at the beginning of each college year by the Riding council, and who may supervise students who have been approved for jumping, or jump themselves when accompanied by another person.

Riding Leaders: Students who are formally appointed during the college year by the Riding council, and who may take " B "' or " C "' riders on or off campus, or ride alone on campus.
" A', Riders: Students who have been approved by the Riding Council, and who may ride alone on campus or who, with the permission of the instructor of Riding or the Head of Riding, may take "B" or "C', riders on or off campus.
" $B$ "' Riders: Students who have passed a definite riding test and who may ride in groups of two without a riding leader off campus, or alone on campus. "B", Class Riders may not act as riding leaders for "C" class riders.
" $C$ '" Riders: All girls who have not passed the riding test, and who may not ride without a riding leader.

## SWIMMING AND BOATING

No student may swim until a written permission from her parent or guardian is filed in the office of the Department of Physical Education. No student may swim unless accompanied by the authorized proctor and at specified times.

There shall be a Lake Couneil, formally appointed each college year, presided over by the Head of Lake, and consisting of a representative of the Department of Physical Education and the life guards appointed by the Head of Lake. It shall be their duty to make, interpret, and enforce the rules for swimming and boating, subject to the laws of the Student Government Association and the Athletic Association: to punish offenders, and to further the interests of swimming at Sweet Briar.

No student may use the boats until she has passed the swimming test at Sweet Briar, unless she is accompanied by a member of the Lake Council or a Sweet Briar student who is a holder of the Red Cross Senior Life Saving Emblem or the Intercamp Life Saving Emblem.

No student may take out a canoe until she has passed the canoe test. No student may go on the Lake in a canoe unless she has passed the swimming test and is accompanied by one who has passed the canoe test.

All members of the Association and their guests may use the Boat House in accordance with the Lake Regulations posted each year on the Athletic Association Bulletin Board.

Note: A college rule prevents dates from using the Lake for swimming.

## DANCING

There shall be three Dance Groups namely: Choreography, Dance Group and Tanz Zirkel-typifying respectively three levels of ability and experience. Choreography, being the highest, offers in addition to dancing the opportunity for dance composition.

Tanz Zirkel is mainly for freshmen who during the fall and winter have shown interest as well as talent in dancing. Dance Group and Choreography are the upperclassmen dance groups.

Participation shall be on an optional basis. However, if a member does not show sufficient interest she will be asked to resign.

Members in these dance groups and especially members of Choreography are responsible for promoting interest in dancing at Sweet Briar.

Optional dance classes will be scheduled according to demand. Students will be advanced from these classes into one of the dance groups by means of trials.

## STUDENT ELECTIONS

The following general plan of elections has been adopted by the student body:

# COLLEGE PUBLICATIONS 

## The Board of Publications

Chairman, Jessie Strictland

The Board of Publications acts as an advisory body to the four college publications in all matters of finance and of policy. It has control of the joint reserve fund of these publications, and it elects the editor and the business manager of the Sweet Briar News and of the Handbook.

The Board is composed of the undergraduate active and retired editors and business managers of the four college publications, the faculty advisors to these publications, the faculty advisor to the Board, and the president of the student government association. The chairman and the secretary-treasurer of the Board are elected from among its student members.

## The Briar Patch

Editor-in-Chief, Ernestine Banker
Business Manager, Blair Burwell
The Briar Patch, the Sweet Briar annual, is published every spring. A project of the junior class, it forms an interesting part of extra-curricular activity during the junior year. Each year the staff tries to give in the pages of the Briar Patch a picture of school life during the year that will serve as a permanent record and reminder for the years when school days are over.

## The Sweet Briar News

Editor-in-Chief, Lind. McKos

Business Manager, Polly Vandeventer
The Sweet Briar News is the weekly newspaper published by the students. It aims to give the students, faculty, and community reports of all the news which will be of interest to them. All students and especially Freshmen, whether they have had experience on school newspapers or not, are urged to try out for a position on the staff.

## The Brambler

## Editor-in-Chief, Grace Schoenheit

## Business Manager, Catherine Smart

The Brambler is the college literary magazine, issued not less than five times a year. It consists of voluntary contributions of short stories, formal essays, plays, poems, and book reviews. Members of all four classes are invited to contribute articles for publication in competition for a place on the staff.

## The Handbook

Editor-in-Chief, C.inoline Rudulph
Business Manager, Mary Lou Holton
The Handbook is published every fall and a copy is sent to each freshman to introduce her to Sweet Briar. The upperelassmen receive theirs upon their return to college. The HandBook contains an outline of the structure upon which Swect Briar life is built, forming an imbortant souree of reference throughout the year.

## CLUBS

## Tau Phi

President, Adeline Jones

Tau Phi, Sweet Briar's upperclass honorary society, is composed of a limited number of Juniors and Seniors, who by their attitude and effort have manifested an especial interest in furthering the ideals and traditions of Sweet Briar. The purpose of Tau Phi is to cooperate in student and community activities and to stimulate an interest in general culture.

## Q. V.

Q. V. is an honorary society composed solely of Sophomores. The members are chosen by the organization of the preceding year. The aim of the group is to perpetuate the cohesiveness and initiative of the class founded in the freshman year. Q. V. can function effectively only if the identity of the members is withheld during their sophomore year. Their names are announced at step singing in the spring.

## Paint and Patches <br> President, Elinor Clement

Paint and Patches, the Sweet Briar Dramatic Club, was organized for the purpose of creating and developing an active interest in all branches of drama, and to promote a deeper knowledge of the technique of dramatic art.

Eligibility for membership in Paint and Patches is determined by a system of grading which evaluates the work of all candidates. The many departments of the club-scenery, acting, make up, costumes, properties, lights-provide opportunity for those interested in various branches of the theatre to become members.

## Choir

President, Helen Graeff

The choir is a very active group at Sweet Briar. The members are about thirty-five in number and are selected from among the best voices in the college. The members of the Choir have an opportunity to become acquainted with a wide range of sacred music, notable examples of which are a cappella singing, Anglican chants, and Plain song. Election to the Choir is considered a distinet honor.

A great deal of the beauty of the Sweet Briar Church service is due to the well trained Choir, which is vested and sings at every Sunday service. The Choir renders suitable musical programs at Christmas, Easter and on other special occasions.

## Chapel Choir

The Chapel Choir is a voluntary group of about 30 girls which sings regularly throughout the year for the week-day chapel services. The only requirement for membership is interest and willingness to give the time. The group was formed for those who are not in the Glee Club or the Choir. The aim of the Chapel Choir is not only to perform a service to the community, but also to give these girls who like to sing an opportunity to practice and a chance for future Glee Club membership.

## Glee Club

## President, Betsey Gurley

The Glee Club offers instruction in group singing and an acquaintance with choral music to all students whose talent and enthusiasm make them eligible for membership. Individual try-outs in the fall limit the number
of members. Weekly meetings throughout the year prove of great value in both individual training and in appreciation of choral singing. The year's work is culminated by joint concerts with outside glee clubs.

## International Relations Club

## President, Hallie Tom Nixon

The International Relations Club was founded under the auspices and with the assistance of the Carnegie Endowment of International Peace. The club is composed of students who, by passing a test given in the fall, show an interest in international relations. From time to time, in order to stimulate a more general interest in world problems, the club brings to Sweet Briar speakers on international affairs and sponsors different programs.

## Le Cercle Francais

President, Sarah McDuffie
Membership in Le Cercle Français is limited. New members are elected from a list of applications to fill vacancies.

The purpose of the programs presented at each meeting of Le Cercle Français is the increasing of interest in French culture, especially that of modern France along other than academic lines.

## The English Club President, Mary Vinton

All juniors and seniors who are majoring in English are eligible for membership in the English Club. The purpose of the club is to afford an opportunity to those who wish it, and have chosen this subject, for the study
and enjoyment of English literature beyond the limitations of the classroom. At the club meetings, held regularly every month, two books of recent publicationnovels, drama, poetry, biography, or history-are reviewed, followed by an open discussion.

## Der Deutsche Verein <br> President, Anne Hill

Der Deutsche Verein is a social organization which endeavors to supplement class room work with studies of the German language and people. Membership is open to the students in the German Department who are interested in obtaining a wider and more sympathetic understanding of German. Special emphasis is laid on the culture, history, literature, and current problems.

## El Club Espanol <br> President, Pat Arms

El Club Espanol is composed of those students in the Spanish Department who have had at least one semester of Spanish and who are particularly interested in Spanish. At the monthly meetings members of the club give talks or lead discussions on all phases of Spanish and Latin American culture. El Club Espanol is affiliated with the Washington Chapter of El Instituto de las Espanas. El Ateneo is a small honorary group within the club.

## Misiones

## Head, Kathryn Berthier

The Sweet Briar Misiones is one of the several groups hy that name in Virginia. The members of these groups strive to further friendship and good feeling toward our Latin-American neighbors among the elementary
and high school children of their districts. At various county schools the Misiones girls, all in costume, present colorful programs of Latin-American songs, dances, skits, and games, asking members of the audience to take part in the latter.

Misiones is sponsored by the Spanish Club. Membership is limited to those who show enthusiasm for the work and loyalty to the group. It is best that Misiones members have some knowledge of the Spanish language.

## The Music Club

The main aim of the Music Club is to stimulate initiative and confidence on the part of the student in public performance. Each member must contribute at least once a semester by playing, singing, or otherwise entering into the program. The membership is limited to 25 students. Anyone interested in music is eligible to belong. The basis of acceptance lies in the interest and capacity of the student.

## Religious Life and Services

Sweet Briar College is non-sectarian, but it endeavors to give a place of prime importance to the Christian religion, and to facilitate the cultivation of spiritual living.

Among aids to the religious life are Sunday services, chapel services, Lenten services, other special services and round-table discussions. Services are held in the chapel. Most of these are arranged by the Church and Chapel Committee, a group elected from students, faculty, and community members to administer the affairs of the congregation. There are student representatives from each class and a liaison officer with the Y. W. C. A., under whose auspices some of the services are held.

## AMERICAN ASSOCIATION OF UNIVERSITY WOMEN

The Sweet Briar Branch of the American Association of University Women is an organization of interest to the students as well as to the faculty at Sweet Briar College. Students upon graduation from Sweet Briar are eligible to membership in this national organization of college and university women, first organized in 1882 and since affiliated with the International Federation of University Women.

The Association now has a membership of over 70,000 persons, functioning through over 600 branches. There is great varicty of activity in different branches but all are united in the common aims of promoting higher education for women, and of encouraging friendship and helpfulness among educated women the world over. The activities of the various national federations in Europe, Egypt and South America, even during this war, give a picture that is striking for its vitality, often maintained-under underground conditions. Many American Association branches maintain programs of special interest to recent graduates, and all branches afford an avenue of service to society on a trained level with women of congenial approach to community work.

Membership in the Association makes one a nonresident member of the National A. A. U. W. Club in Washington, with the privileges of the club house and also a member of the International Federation of University Women, with guest privileges at the European club houses in London, Brussels, Paris, Rome, and Florence. Crosby Hall in London and Reid Hall in Paris still stand and will doubtless be opened again. The Italian Federation is already re-organized.

The A. A. U. W. awarded in 1944-45 18 fellowships of $\$ 1500$ each to outstanding scholars, and presented the Achievement Award ( $\$ 2500$ ), given by the North Central Region to a physicist, Dr. Katharine B. Blodgett, for her distinguished work on surface tensions. The emphasis of the Association is on fellowships to graduates of approved colleges for further study and research, rather than on undergraduate scholarships. Dr. Eugenie M. Morenus and Dr. Dora Neill Raymond of the Sweet Briar faculty have both held such fellowships. Look into the A.A.U.W. in your own home.

"That Helping Hand",

Just as the Sophomores have their wall, the Juniors, their bench, the Seniors, their Golden Stairs-you too have a cherished possession, the fireplug. All this may seem strange, but from the minute you arrive, you'll learn all the P's and Q's from the capable Committee " X ". That's that grinning group who'll be waiting with open arms for you at the Sweet Briar station. They perform miracles, not only those first few hectic weeks, but throughout the whole year with their gala entertainments for you. They're a marvelous bunch, and are always at your beck and call. But you'll soon find THAT out!

Do bring plenty of cottons-we're south, remember! A white dress for Founder's Day in late October is essential, so double check that. Also bring hammer and nails, a laundry bag, coat hangers, moth balls, dresser scarfs, and all the other little things that you take so for granted at home.

Money may be a problem. Your allowance, of course, is entirely up to you and your family. The big things are included in your tuition, then the $\$ 2.5$ Student Activities Fee and the $\$ 25$ Book Shop Fee cover quite a bit, but the little things do mount up. There are snacks at the Inn, jaunts to Amherst, trips to Lynchburg, departmental club dues, weekly war stamps, room furnishings, and everyday necessities, such as soap, toothpaste, ete. So make a mental note of these when you're adding up expenses.

There are many interests and activities throughout the year, so come prepared to take part in them as soon as you get settled. Remember Sweet Briar will be what YOU make it!
